25. Plantes médicinales de l'Ile Rodrigues (1994). Gurib-Fakim, A., Guého, Sewraj, M.D., Dullo, E. Editions de l'Océan Indien, Mauritius.

BOOK CHAPTERS

1. Nature's Healing - how African plants can provide medical solutions in Science, Technology and Innovation for Socio-economic development: Success stories from Africa. Edited by S. Muhongo, F. P. Gudyanga, A.A. Enow, D. Nyanganyura. ICSU, Regional Office, South Africa (2010).
2. Traditional Medicine in 'Molecular and Therapeutic Aspects of Redox Biochemistry'. Edited by T Bahorun and A Gurib-Fakim. OICA International: London (2004).
3. Haematoxylum campechianum. PROTA Series, University of Wageningen, The

Netherlands.

4. *Morinda citrifolia*. PROTA Series, University of Wageningen, The Netherlands.
5. M.F. Mahomoodally, **A. Gurib-Fakim**. Harnessing traditional knowledge in the management of multidrug resistance and prevention of emerging infectious diseases in Sub-Saharan Africa. In: **Fighting Multidrug Resistance with Herbal Extracts, Essential Oils and their Components**. Elsevier. ISBN: 9780123985392.
6. P. Leyssen, J. Smadja, P. Rasoanaivo, **A. Gurib-Fakim**, F. Mahomoodally, B. Canard, J.C Guillemot, M. Litaudon and F. Guéritte. Biodiversity as a source of potent and selective inhibitors of chikungunya virus replication. In: **Novel Plant Bioresources: Applications in Food, Medicine and Cosmetics** (Wiley, UK). (In Press).

EDITED AND CO-EDITED VOLUMES

1. *Novel Plant Bioresources - Application in Medicine, Cosmetics and the food sector*. **A. Gurib-Fakim** (Ed.) (2013). John Wiley- Blackwell, Oxford, UK - in press
2. *Chemistry for the Sustainable development in Africa*. Gurib-Fakim, A., Eloff, K. (Ed.), Springer-Verlag, Germany. In Press
3. *The Maritime History of the Indian Ocean - from Al-Idrissi to Ibn Majid and beyond*. Ministry of Arts, Culture and Heritage. Doha Qatar. Khal Torubally, A. Gurib-Fakim (2010).
4. *The African Herbal Pharmacopoeia*. A. Gurib-Fakim and AAMPS Ed. (2010).
5. *Green Gold - Success stories using Southern African Plant species*. AAMPS Publishing, Mauritius.
6. Coordinator Lead Author for the IAASTD - Project on the global assessment on Agriculture - World Bank and UN agencies.
7. 1st of a series of 4 Volumes on Medicinal Plants series in the 'Plant Resources of Tropical Africa' (PROTA) 'Medicinal Plants' G. Schmelzer and A. Gurib-Fakim (2008). University of Wageningen, The Netherlands.

CD-ROM

1. "Plantes Médicinales des Comores, de Madagascar, des Mascareignes (Maurice et Rodrigues) et des Seychelles. Rapport ethnobotanique et phytochimique sur le projet: 'Inventaire et Etude des Plantes Médicinales et des Plantes Aromatique des Etats de l'Océan Indien (1990-1997)'. Gurib-Fakim, A.; Guého, J. Commission de l'Océan Indien/ European Union (2000).
2. "Medicinal Plants of the Comoros, Madagascar, the Mascarenes (Mauritius and Rodrigues) and the Seychelles. Ethnobotanical and phytochemical report on the project: 'Inventory and Study of the Medicinal and Aromatic Plants of the States of the Indian Ocean (1990-1997)'. Gurib-Fakim, A.; Guého, J. Indian Ocean Commission/European Union (2000).

VIRTUAL LABORATORIES

1. Biodiversity (English and French). Gurib-Fakim, A., Rivas Marta, J.Y. (2004). University of Mauritius, TELUC, Canada, UNED, Costa Rica.
2. Ethnobiology (English and French). Gurib-Fakim, A., Rivas Marta, J.Y. (2004). TELUC, Canada, University of Mauritius.

PARTICIPATION IN WORKSHOPS / SEMINARS / CONFERENCES / MEETINGS (2010- onwards)

October 2013: International Science Programme (ISP) Reference Chemistry Group Meeting at Uni. Lund, Sweden

September 2013: USP-CHP Herbal Pharmacopoeia, Baltimore, USA

July 2013: Indigenous Plant Utilization Forum (IPUF), Nelspruit, South Africa ^[OBJ]

Antioxidant, antiglycation and cytotoxicity evaluation of selected ^[OBJ]medicinal plants of the Mascarene Islands. BMC Complementary and ^[OBJ]Alternative Medicines. 12(1):165. doi: 10.1186/1472-6882-12-165.

July 2013: CTA Meeting of 'Women in Science' at the FARA General Assembly, Accra. Ghana

May 2013: Small Island Developing States (SIDS) Preparatory Meeting, Cambridge University, UK

May 2013: Nuclear Energy Commission of South Africa, Advisory Meeting, iTemba Labs, Somerset West, South Africa

May 2013: Innovation Prize for Africa. Jury Meeting, Cape Town, South Africa

April 2013: Bio Conference, Chicago, USA

March 2013: Pan African University Workshop on the PAU Strategic Plan prepared under the aegis of the GIZ, AU HQ, Addis Ababa, Ethiopia

February 2013: Education Conference at the Uni. of Selangor, Shah Alam, Malaysia

September 2012: Chemistry Reference Group Meeting of the ISP-SIDA in Bangkok, Phnom Pehn, Vientiane

August 2012: ICSU-ROA meeting, Pretoria, South Africa

June 2012: Heads of Laboratory Workshop, OPCW Head Quarters, The Hague, Netherlands.

June 2012: Rio+20 World Conference on Sustainable development, Rio de Janeiro, Brazil.

May 2012: International Workshop on "Potentials and Constraints for Aromatic Plants and Essential Oils Production and Marketing in Africa". ICRAF, CFC, FAO, Rabat, Morocco.

May 2012: Invited to deliver Keynote address at University Selangor, Malaysia on 'The Science of Health, Beauty and Ageing', UniSel, Shah Alam, Selangor, Malaysia.

Apr 2012: 1st Science, Technology and Innovation Forum organised jointly by the African

Development Bank, UNESCO, UNECA, ADEA and the Kenyan Government, Nairobi, Kenya.

Mar 2012: Joint UNECA and African Finance Ministerial Meeting for the Award Ceremony of the AIF, African Union Headquarter, Addis Ababa, Ethiopia.

Jan 2012: Meeting of the Jury for the First African Innovation Prize, UNECA HQ, Addis Ababa, Ethiopia.

Jan 2012: Expert Meeting of the International Jury Member for the CTA 'Women and Young Professional Science Competition', CTA - HQ, Wageningen, The Netherlands.

Nov 2011: ANSTI-UNESCO International Conference, Johannesburg, South Africa.

Oct 2011: Advisory Meeting of the CTA (ACP-EU): Commonwealth Republic of Dominica, Dominica.

Oct 2011: Meeting Beiersdorf International, Hamburg, Germany.

Oct 2011: International Conference, IAS World Academy-Doha, Qatar.

Sep 2011: ISP-SIDA Meeting, Uppsala University, Uppsala, Sweden.

July 2011: Member of the Jury of the NetBiome Programme funded by the European Union, Lisbon, Portugal.

May 2011: Jury meeting for the L'Oreal-Unesco Fellowship for Women in Science.

Apr 2011: HDC Global meeting on Certification of natural products, Kuala Lumpur Convention Centre, Kuala Lumpur, Malaysia.

Mar 2011: ICSU Meeting of the Council for Scientific Programme Review, Paris, France.

Mar 2010: ICSU ROA Council Meeting, Pretoria, South Africa.

Dec 2010: Invited Guest speaker at the Joint China-La Réunion meeting, St. Pierre, La Réunion.

Dec 2010: Guest speaker at the IAS Conference, Shah Alam, Selangor, Malaysia.

Oct 2010: PhD Examination - First Opponent - University of Oslo, Oslo, Norway.

Sept 2010: Meeting of the Reference Group, University of Uppsala at Nairobi, Kenya.

June 2010: Invited speaker at the TWOS General Assembly, Chinese Academy of Sciences, Beijing, China.

June 2010: Invited Guest speaker at University Geneva and Lausanne, Switzerland in the context of their PhD day.

June 2010: Meeting at the University Bordeaux 3, UNITWIN Project for Sustainable Development.

Mar 2010: Member of the Jury for the L'Oreal-UNESCO Fellowship Programme for sub Saharan Africa, Johannesburg, South Africa.

Mar 2010: Study visit to the Universite du Havre as part of the National Logistics Council and funded by the 'Agence Francaise de Developpement'.

Jan 2010: International Conference on 'Trends in Drug Discovery'. Uni. of Delhi, India.
